- LED lifetime rated at 50,000 hours

OVERVIEW

The 2-PDC3618-Coro is a kidney-shaped promotional desk display kit designed for retail, trade show, and point-of-sale environments. It combines a wood top surface with a Coroplast (corrugated plastic) board base, providing a lightweight yet sturdy structure suitable for temporary or semi-permanent display applications.

The unit measures 35.5" (L) x 17.75" (W) x 36.75" (H) with an image display area of 72.5" x 35.5", accommodating large-format printed graphics for branding or product promotion.

The kit carries a 1-year warranty and an LED lifetime rating of 50,000 hours.
