OVERVIEW

The 2-PDT40 is a pop-up display counter with a black wood top, designed for textile graphic applications at trade shows, events, and promotional installations. The unit assembles in seconds and provides a stable, professional presentation surface for brand messaging and visual displays.

The counter measures 42 in. W x 40 in. H x 16 in. D, with a textile printing area of 68 in. W x 39 in. H. The pop-up frame construction supports quick deployment and breakdown, and the compact footprint simplifies transport and storage between events.

The unit carries a 1-year warranty.
