OVERVIEW

The X-Type Banner Display Stand (SKU: 2-X-JD-S) is a freestanding marketing display measuring 40 inches wide by 75 inches tall, designed for use at tradeshow, exhibitions, and promotional events. Its large format provides clear visibility across open floor environments, making it suitable for brand promotion and product messaging in high-traffic settings.

The stand features a sturdy bottom arm, a balanced midsection, and an additional top arm, providing structural stability and a professional finished appearance. This multi-point support construction is intended to maintain display integrity throughout extended event use.

This final-sale unit is backed by a 1-year limited warranty.
