

X-Type Banner Display Stand, 33" x 70", Fiberglass Frame, Grey/Yellow

- Fiberglass frame construction for durability and light weight
- Measures 33 in wide x 70 in tall (80 cm x 180 cm)
- Grey and yellow finish for brand visibility
- Backed by a 1-year manufacturer warranty
- Rated component lifespan of 50,000 hours

OVERVIEW

The X-Type Banner Display Stand is a medium-sized promotional display constructed from fiberglass, measuring 33 inches wide by 70 inches tall (80 cm x 180 cm). It is designed for use at trade shows, exhibitions, and professional presentations where portable, branded signage is required. The stand features a grey and yellow finish and is built for straightforward assembly, making it suitable for repeated deployment across multiple venues or events. The stand is backed by a 1-year warranty and carries a rated component lifespan of 50,000 hours.
