- Grey and yellow body finish suited for professional signage
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 2-X-JD-SS is a compact X-type banner display stand designed for promotional applications in both indoor and outdoor environments. At 24" x 63" (60cm x 160cm), it is well suited for trade shows, retail spaces, events, and other venues where floor space is limited. The stand features a fiberglass construction with a grey and yellow finish, providing a durable and professional presentation platform for graphics and text-based signage. Overall assembled dimensions measure 37 × 2 × 2 in, and the unit weighs 1.1 lb, making it easy to transport and set up. It is backed by a 1-year warranty.
