OVERVIEW

The Mini X-Type Display Sign in black is a compact display unit designed for professional environments where space is limited. Its low-profile form factor makes it suitable for tight installations in office, commercial, or on-the-go applications where a clean, unobtrusive presentation is required.

The display delivers sharp visuals with noted color accuracy and wide viewing angles. Adjustable brightness settings and multiple connectivity options support flexible deployment across varied workspaces, and the LED components are rated for 50,000 hours of service life.

The unit is backed by a 1-year warranty.
