- Lightweight aluminum frame construction
- Fiberglass components add structural durability
- High-quality plastic hardware parts included
- Oxford carry bag included for transport and storage
- Backed by a 1-year warranty

OVERVIEW

The 2-X-SM is a medium-format X-type banner display stand designed for promotional and advertising applications at indoor and outdoor events. The stand accommodates banner graphics up to 31.5 in x 70.8 in (80 × 180 cm), providing a visible display area suited for brand messaging, wayfinding, and event signage.

The frame construction combines a lightweight aluminum structure with fiberglass components and high-quality plastic hardware, supporting durability across repeated setups and takedowns. An included oxford carry bag simplifies transport and storage between deployments.

The unit carries a 1-year warranty.
