- Aluminum, plastic, and fiberglass components for durable transport
- Compact 23.5 in x 63 in (60 cm x 160 cm) small-size format
- Includes oxford carry bag for protection during transit and storage
- Backed by a 1-year warranty

OVERVIEW

The X-Type Banner Display Stand is a compact, portable marketing display designed for brand promotion in retail, trade show, and commercial environments. Its X-type frame construction provides a stable, visually prominent presentation surface suited for high-traffic settings.

Constructed from aluminum, plastic, and fiberglass components, the stand is built to withstand the demands of frequent setup and transport. An included oxford carry bag protects the display during transit and storage, supporting efficient deployment across multiple locations.

The stand carries a 1-year warranty.
