- Freestanding X-type frame with water tank base for ballast stability
- Large-format display measuring 24 ft in height by 65 ft in width
- Durable construction rated for varied outdoor weather conditions
- Water tank base eliminates need for staking or permanent anchoring
- LED lifetime rating of 50,000 hours
- Backed by a 1-year manufacturer warranty

OVERVIEW

The X-Type Outdoor Banner Display with Water Tank Base is a large-format freestanding banner system designed for outdoor events, trade shows, and advertising campaigns. The unit measures 24 ft in height by 65 ft in width, providing a high-visibility display surface suited for high-traffic environments.

The display features a durable construction intended to withstand varied weather conditions. The integrated water tank base provides ground-level ballast for stability in outdoor settings without the need for staking or permanent anchoring.

The unit carries a 1-year warranty and an LED lifetime rating of 50,000 hours.
