

10 ft x 10 ft Pop-Up Advertising Tent Frame, 40mm Hexagon Leg, Steel

- 10 ft x 10 ft pop-up tent frame footprint
- 40mm hexagon-profile leg design
- Steel frame construction
- 1 year warranty coverage

OVERVIEW

The 2F-TENT3x3-ST is a 10 ft x 10 ft pop-up advertising tent frame designed for temporary promotional and event display applications. The frame features 40mm hexagon-profile legs constructed from steel, providing a structured foundation suitable for trade shows, outdoor events, and on-site marketing setups.

The hexagon leg shape and steel construction support repeated setup and teardown cycles typical of mobile advertising and event display use.
