- Graphic area measures 240.39 in wide x 89.76 in high
- Frame built with 32mm tube construction for stability
- Tension textile graphics attach directly to the frame
- Backed by a 1-year warranty

OVERVIEW

The 2F-W240×90 is a 20 ft straight wall panel display designed for tension textile graphics, suited for trade shows, corporate events, and pop-up retail environments. The frame features 32mm tube construction that provides structural stability and supports a graphic area of 240.39 in (W) x 89.76 in (H), offering a large-format backdrop for brand and messaging applications. Textile graphics attach directly to the frame, allowing straightforward changeover between campaigns or events. The display carries a 1-year warranty.
