

Tension Fabric Display, Wall Curve
Panel, 117 in. x 90 in., Curved Frame

- Curved frame spans 117 in. wide by 90 in. tall for large-format textile graphics
- Packed dimensions of 13 × 11 × 39 in. for transport between venues
- Weighs 18 lb, supporting single-person setup and breakdown
- Backed by a 1-year manufacturer warranty

OVERVIEW

The Wall Curve Panel Display for Textiles is a curved-frame display structure designed for professional presentation of textile pieces in trade show, showroom, or exhibition environments. Its curved profile is intended to enhance visual impact while providing ample surface area to showcase multiple items simultaneously.

The display is constructed for durability and ease of use, with a design that supports straightforward setup and breakdown for transport between venues, weighing 18 lb with dimensions of 13 × 11 × 39 in when packed. These characteristics make it a practical option for professionals who require a reliable, portable backdrop solution for recurring presentations.

The display carries a 1-year warranty.
