

Tension Fabric Display Panel, W-Shaped, 120 in x 120 in, 1-Year Warranty

- W-shaped panel configuration for structured textile presentation
- Overall panel size of 120 in x 120 in
- Constructed from premium materials for durability and longevity
- Backed by a 1-year manufacturer warranty
- Rated for 50,000 hours of LED lifetime

OVERVIEW

The 2F-WW120×120 is a W-shaped wall panel display designed for textile presentation, measuring 120 × 120 inches. It is suited for commercial exhibitions, trade shows, and gallery installations where a large-format, structured display surface is required.

Constructed from premium materials, the display is built for durability and extended service life. Its W-shaped configuration provides a generous canvas for showcasing textile creations while contributing a professional aesthetic to the surrounding space.

The display is backed by a 1-year warranty.
