

W-Shape Tension Fabric Wall Display, 120 in x 96 in, 1-Year Warranty

- W-shaped profile enhances visual presentation from multiple angles
- Panel dimensions of 120 in width by 96 in height
- Lightweight construction supports tool-free setup and dismantling
- Backed by a 1-year manufacturer warranty
- Rated for 50,000 hours of LED lifetime

OVERVIEW

The 2F-WW120×96 is a W-shaped wall panel display designed for presenting textile materials in commercial and retail environments. Measuring 120 inches wide by 96 inches tall, it provides substantial surface area for showcasing fabric textures, patterns, and colors. Intended applications include trade shows, exhibitions, retail showrooms, and display installations.

The display is constructed to be lightweight while maintaining structural stability, and is designed for straightforward setup and dismantling without specialized tools. The W-shaped profile is intended to enhance visual presentation and maximize fabric visibility from multiple viewing angles.

The unit carries a 1-year warranty.
