OVERVIEW

The 2F-WW96×96 is a W-shaped wall panel display designed for textile presentations, measuring 96 in. wide by 96 in. high. It is suited for business settings, trade exhibitions, and environments where large-scale visual impact is a priority.

The display features a robust frame construction for stability and a sleek, finished profile. The W-shaped configuration accommodates large-scale textile designs and offers flexibility in how materials are arranged and presented. The unit is designed for straightforward assembly, transport, and storage.

The unit carries a 1-year warranty.
