

Mini Roll-Up Desktop Display, Single-Sided, Silver, A4 / 8.27" x 11.69"

OVERVIEW

The 3-RA08 is a single-sided mini roll-up desktop display finished in silver, designed to present A4-format content (8.27" x 11.69" / 21 x 30 cm) in trade show, conference, retail counter, and general business environments. Its compact footprint makes it practical for tabletop placement where space is limited.

The unit features an aluminum base construction with 3M adhesive tape securing the graphic panel. At 0.35 kg net weight per unit, it is lightweight enough for frequent transport and rapid repositioning. Each unit ships individually boxed, with carton quantities of 50 units per master carton.

No certifications, compliance listings, or warranty terms are confirmed in the available source documentation for this product. Contractors and specifiers should contact Poli LED & Signs directly for any project-specific compliance requirements.
