

Aluminum Retractable Banner Stand
Display, 24" x 79" (60cm x 200cm)

- Aluminum frame construction for a lightweight, durable stand
- Retractable cassette mechanism enables setup and takedown in seconds
- Telescopic pole provides adjustable height for varied display needs
- Graphic display area measures 24" x 79" (60cm x 200cm)
- Backed by a 1-year manufacturer warranty
- Rated for a 50,000-hour LED lifetime

OVERVIEW

The 3-RA24 is a 24" x 79" retractable banner stand constructed with an aluminum frame, designed for trade shows, exhibitions, presentations, and promotional events. The retractable mechanism allows for rapid setup and takedown in seconds, and the telescopic pole provides adjustable height options while the sturdy base maintains stability during use.

The aluminum construction keeps the unit lightweight for easy transport, and the retractable cassette protects the graphic when not in use, supporting repeated deployment over extended service life. The compact form factor allows for straightforward storage between events.

The stand is backed by a 1-year warranty.
