

Retractable Banner Stand, Black Aluminum, 33.5 in Wide, 3-Section Adjustable Pole

- Black aluminum frame construction for a professional appearance
- 33.5 in wide display area for banner or graphic content
- Adjustable height range of 64 to 79 in via 3-section pole
- Retractable mechanism for tool-free setup and takedown
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 3-RA33HL-B is a retractable banner stand designed for professional environments including trade shows, exhibitions, and office settings. The unit features a black aluminum frame and accommodates banner or graphic content across a 33.5-inch width, with an adjustable height range of 64 to 79 inches via a 3-section pole system.

The retractable mechanism allows for straightforward setup and takedown without tools, making it practical for repeated deployment across multiple venues.

The product carries a 1-year warranty.
