

Aluminum Octagonal Light Pole, 10 ft, 3 m Length, 40 mm Width, 1 - Year Warranty

- Octagonal aluminum extrusion measuring 3 m in length
- 40 mm profile width for a compact outdoor footprint
- 0.28 kg unit weight for straightforward handling and setup
- 12 V lighting supply with 135 -degree beam distribution
- Rated LED service life of 50,000 hours
- Covered by a 1 -year manufacturer warranty

OVERVIEW

The 4-PR4-10 is a 10-foot aluminum octagonal pole designed for outdoor lighting, signage, and flagpole applications. Its octagonal profile provides both structural stability and a clean architectural appearance suitable for commercial and residential installations.

Constructed from aluminum, the pole measures 3 m in length by 4 cm in width and weighs 0.28 kg, and is built to withstand harsh weather conditions. Integrated 12 V lighting is rated for a 50,000-hour service life with a 135-degree beam spread.

The pole is supplied with a 1-year warranty.

SPECIFICATIONS

OPTICAL

Beam Angle	135°
LED Lifetime	50,000 h

ELECTRICAL

Operating Voltage	12 V
