

Replacement Fastening Pin for 4-PR4
Fixture, 7.5 x 1.06 cm, 1-Year Warranty

- Measures 7.5 × 1.06 cm for direct fit with 4-PR4 fixtures
- Rated for 50,000 hours of service life
- Low-profile design suited for lightweight material fastening
- Backed by a 1-year manufacturer warranty
- Direct replacement part for compatible 4-PR4 applications

OVERVIEW

The Replacement Pin for the 4-PR4 fixture measures 7.5 × 1.06 cm and is designed to securely fasten and retain lightweight materials in place. It serves as a direct replacement component for compatible 4-PR4 applications, providing a reliable fastening solution for professional use.

Constructed for durability, this pin is built to maintain consistent performance under regular use conditions, with a rated service life of 50,000 hours. Its low-profile, modern form factor makes it suitable for a range of installation environments where a secure, unobtrusive fastening point is required.

The pin is backed by a 1-year warranty.
