

## Plastic Cover for 4-PR6 LED Strip Light, Protective Accessory

- Compatible specifically with 4-PR6 LED strip light devices
- Tool-free installation and removal for field servicing
- Allows full access to all ports and buttons when installed
- Minimalist profile designed to blend with the host device
- Backed by a 1-year warranty

### OVERVIEW

The 4-PR6-CV is a plastic protective cover designed specifically for 4-PR6 LED strip light devices. It is intended to shield the unit from scratches and physical impacts during installation or in environments where incidental contact is a concern.

The cover is designed for straightforward installation and removal without tools, and maintains full access to all ports and buttons on the 4-PR6. Its minimalist profile is suited to professional installations where a clean appearance is a requirement.

The 4-PR6-CV carries a 1-year warranty and is intended for use with 4-PR6 units rated for 50,000-hour LED lifetime.
