

Half Octagonal Pole, 5-Direction Mount, 3.05 m x 4 cm

- Half octagonal profile measuring 3.05 m in length
- 4 cm width for a slim, low-profile mounting footprint
- Five-direction accessory attachment for flexible hardware configurations
- Corrosion, fade, and wear resistant construction for outdoor use
- Backed by a 1-year warranty

OVERVIEW

The 4-PRH4 is a half octagonal mounting pole measuring 3.05 m in length and 4 cm in width, designed for commercial and industrial lighting installations. Its half octagonal profile provides a slim, low-profile appearance that integrates cleanly into a variety of site environments.

Constructed from high-quality materials, the pole is resistant to corrosion, fading, and general wear, supporting long-term performance in demanding outdoor conditions. Five-direction accessory attachment points allow flexible mounting configurations for luminaires, signage, and other compatible hardware, reducing installation complexity across a range of project types. The pole is backed by a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime 50,000 h

MECHANICAL

Product Dimensions 3.05 m x 4 cm
