

Square 4-Sided Ditch Pole, 2.8 cm Width x 3.05 m Length, 1-Year Warranty

- 2.8 cm width by 3.05 m overall length
- Four-sided square profile for enhanced stability and control
- Rated for 50,000 hours of service life
- Backed by a 1-year warranty
- Constructed to professional standards for durability

OVERVIEW

The Square 4-Sided Ditch Pole (SKU: 4-PS2.8-10) is a utility pole measuring 2.8 cm in width and 3.05 m in length, designed for tasks such as digging trenches and clearing obstacles. Its four-sided profile provides enhanced stability and control during use.

Constructed to professional standards, the pole is built for durability and long-term reliability, with a rated service life of 50,000 hours. The four-sided geometry supports stable positioning, and the design accommodates a comfortable grip for sustained operation across a range of field applications.

The pole is backed by a 1-year warranty.
