

Replacement Connector Pin for 4-PS2.8 Sign Holder, 7.5 x 2.22 cm, High-Current Rated

- Measures 7.5 × 2.22 cm for direct fit with 4-PS2.8 sign holder
- Rated for high-current electrical connections
- Designed for secure, stable connectivity in sign and lighting systems
- Rated for 50,000-hour service life
- Backed by a 1-year warranty
- Supports quick installation to minimize maintenance downtime

OVERVIEW

The 4-PS2.8-Pin is a replacement electrical connector pin designed for use with the 4-PS2.8 sign holder system. It provides reliable, secure connectivity for sign and lighting installations where maintaining a stable electrical connection is critical. Constructed for durability, this pin connector is rated for high-current applications and is suited for use across commercial, industrial, and telecommunications environments. Its design supports straightforward installation, minimizing downtime during maintenance or replacement. The connector carries a 1-year warranty and is rated for a 50,000-hour service life.
