

Aluminum Square Pole, 4-Sided Ditch Mount, 3.05 m x 6 cm

- Four-sided square aluminum pole design
- Corrosion-resistant aluminum construction
- Nominal dimensions 3.05 m length x 6 cm width
- Lightweight structure for easy transport and installation
- 1-year manufacturer warranty
- Rated LED lifetime of 50,000 hours

OVERVIEW

The 4-PS6-10 is a four-sided aluminum square pole designed for use in commercial and residential outdoor lighting installations. Its square profile accommodates multiple fixtures or accessories and is suited for a range of mounting applications.

Constructed from aluminum, the pole offers corrosion resistance and structural stability while remaining lightweight enough for straightforward transport and installation. Nominal dimensions are 3.05 m in length and 6 cm in width.

The pole carries a 1-year warranty.
