

Extension Accessory for 4-PR4 LED Strip Light System, 50,000-Hour LED Lifetime, 1-Year Warranty

- Dedicated extension accessory for the 4-PR4 LED strip light system
- Supports a rated LED lifetime of 50,000 hours
- Backed by a 1-year manufacturer warranty
- Enables lengthening or completion of 4-PR4 strip light runs
- Suited for commercial and industrial installation configurations

OVERVIEW

The 4-Z-Ext is an extension accessory engineered for use with the 4-PR4 strip light system. It expands or completes a 4-PR4 installation, providing a compatible interface for connecting or lengthening the strip light configuration in commercial and industrial applications such as tradeshow displays and exhibit signage.

The extension supports the 4-PR4 system's rated 50,000-hour LED lifetime, allowing extended runs without compromising the operating life of the connected strip light. It is backed by a 1-year manufacturer warranty, matching the coverage of the primary 4-PR4 unit.
