

Universal Extension Connector for LED Lighting Systems, Compatible with 4-PR4

- Extends reach of 4-PR4 LED lighting system
- Rated for 50,000-hour LED lifetime
- Backed by 1-year warranty
- Designed for compatible connection to 4-PR4 installations

OVERVIEW

The 4-Z-Ext3 is an extension connector designed for use with the 4-PR4 LED lighting system. It is intended to provide additional reach or connectivity within compatible installations where the standard connection length is insufficient.

The connector is rated for an LED lifetime of 50,000 hours and is backed by a 1-year warranty, supporting long-term use in extended lighting runs.
