

Hanging Ring for Aluminum Tradeshow Booth System, 1-Year Warranty, 50,000-Hour Rated Life

- Rated for 50,000 hours of service life
- Backed by a 1-year manufacturer warranty
- Constructed from high-quality materials for durability in high-traffic use
- Integrates directly into aluminum tradeshow booth framework
- Installs quickly during booth setup, reducing labor time

OVERVIEW

The Hanging Ring for Aluminum Tradeshow Booth System is an accessory designed to suspend and display custom signage or banners within compatible aluminum tradeshow booth frameworks. It is intended for use in high-traffic event environments where secure, stable mounting of display content is required. Constructed from high-quality materials, the hanging ring is built for durability and repeated use across multiple installations. Its design integrates directly into aluminum booth systems, supporting both structural stability and a clean visual presentation. The installation process is straightforward, reducing setup time during booth assembly. The ring carries a 1-year warranty and a 50,000-hour rated life for extended service reliability.
