

- ### Plastic Corner Accessory for 5 - ALF3 LED Channel, 1 - Year Warranty (Discontinued)
- Molded from premium-grade plastic for corrosion and moisture resistance
 - Engineered for precise fit with 5 - ALF3 aluminum extrusion channel
 - Withstands extreme temperature exposure without loss of structural integrity
 - Supports LED strip systems rated for 50,000 hours of operating life
 - Backed by a 1 - year manufacturer warranty

OVERVIEW

The 5-ALF3-CN is a plastic corner accessory designed for use with the 5-ALF3 LED channel profile. It provides a precise-fit solution for routing or terminating LED channel runs at corners, supporting clean and secure installations in commercial and architectural lighting applications.

Constructed from premium-grade plastic, this corner piece offers resistance to corrosion, moisture, and temperature extremes. Its design ensures compatibility with 5-ALF3 components, simplifying installation and reducing the risk of damage to the channel or LED strip during assembly, which supports LED systems rated for 50,000 hours of service life.

The accessory is backed by a 1-year manufacturer warranty.
