

Plastic Corner Accessory for 5 - ALF5 LED Channel, Discontinued Item

- Corner connector engineered specifically for 5-ALF5 channel profiles
- Resists weathering, UV exposure, and impact for long-term durability
- Backed by a 1 year warranty
- Rated for use with LED components rated to 50000 h lifetime
- Designed for quick, tool-minimal installation at profile corners

OVERVIEW

The 5-ALF5-CN is a plastic corner accessory designed for use with 5-ALF5 LED channel profiles. It provides secure mechanical connections at corners, supporting structural integrity and a clean finished appearance in LED channel installations.

The component is constructed to resist weathering, UV exposure, and impact, contributing to long-term performance with low maintenance requirements. It is designed for straightforward installation, making it suitable for contractors, builders, and architects working with 5-ALF5 profile systems.
