

Plastic Corner Accessory for ALF6 LED Channel, 1 - Year Warranty (Discontinued)

- Made from durable plastic for architectural corner transitions
- Engineered specifically to fit the 5-ALF6 LED channel profile
- Backed by a 1-year manufacturer warranty
- Rated for 50,000 hours of LED lifetime within the ALF6 system
- Straightforward installation reduces on-site labor time

OVERVIEW

The 5-ALF6-CN is a plastic corner accessory designed specifically for use with the 5-ALF6 LED channel profile. It provides a clean, finished transition at corners within architectural LED channel installations, maintaining a consistent appearance across the profile run.

Constructed from durable plastic material, this corner piece is engineered to fit the 5-ALF6 profile precisely, supporting a professional finish in architectural lighting applications. Installation is straightforward, reducing labor time on the job site.

The component carries a 1-year warranty and is rated for 50,000 hours of LED lifetime when used within the compatible ALF6 channel system.
