

Light Box Frame with Open Front System for Banner — 3.66 m

- Sized for banners measuring 3.66 m in length
- Open-system front for tool-free banner installation and replacement
- Frame construction minimizes light leakage across the banner face
- LED lifetime rated at 50,000 hours
- Backed by a 1-year warranty

OVERVIEW

The 5-B286-12 is a light box frame engineered for banners measuring 3.66 m in length. Designed for professional display environments, it is suited for retail stores, trade shows, offices, and exhibitions where consistent, polished visual presentation is required.

The frame features an open-system front that allows straightforward banner installation and replacement without specialized tools. Construction is oriented toward minimal light leakage and a clean, professional finished appearance, keeping fabric graphics taut and accurately presented.

The LED components carry a rated lifetime of 50,000 hours, and the frame is backed by a 1-year warranty.
