

Plastic Corner Accessory for 5 - CV3.5D LED Channel, 1 - Year Warranty (Discontinued)

- Plastic corner accessory engineered for the 5 - CV3.5D LED channel profile
 - Durable plastic construction resists wear at channel corner joints
 - Provides a precise, secure fit for a seamless corner connection
- Low - profile design preserves consistent channel aesthetics
 - Backed by a 1 - year manufacturer warranty
 - Compatible with LED components rated for 50,000 - hour lifetime

OVERVIEW

The 5 - CV3.5 - CN is a plastic corner accessory designed for use with the 5 - CV3.5D LED channel profile. It provides a precise, secure fit at corner joints, supporting structural integrity and a clean finished appearance in LED strip lighting installations. Suitable for residential and commercial applications.

Constructed from durable plastic, this corner piece resists wear and provides a seamless connection between channel runs. Its low - profile design maintains a consistent aesthetic across the installation without requiring modification to the channel or surrounding surface. It is backed by a 1 - year warranty and is rated for use with LEDs having a 50,000 - hour lifetime.
