

Aluminum Snap-Type Light Box Base Frame, 6cm W x 10cm H x 3.66m L

- Aluminum construction for durability and repeated use
- Snap-type design for tool-free assembly and disassembly
- Frame dimensions of 6 cm W x 10 cm H x 3.66 m L
- Compatible with 5-CV237-3 cover for light box completion
- Backed by a 1 year warranty

OVERVIEW

The 5-D259-12 is an aluminum snap-type base frame designed for commercial light box installations. Measuring 6 cm W x 10 cm H x 3.66 m L, it provides a structured foundation for light box assemblies used in retail, signage, and advertising applications. The frame does not include a cover but is compatible with the 5-CV237-3 cover accessory.

Constructed from aluminum, the frame is built for durability and repeated use. The snap-type design facilitates straightforward assembly and disassembly, making it practical for installations that require periodic reconfiguration, transportation, or storage.
