

Corner Connector for 5-FF6 LED Panel System, 8-Piece Set, 1-Year Warranty

- Corner connector engineered for the 5-FF6 LED panel system
 - Sold as an 8-piece set for multi-corner installations or spares
- Rated LED lifetime of 50,000 hours
 - Backed by a 1-year manufacturer warranty
 - Constructed for durability and resistance to wear under regular use

OVERVIEW

The 5-F60-CN is a corner connector designed for use with the 5-FF6 LED panel system. It provides precise alignment and secure joining at panel corners, supporting clean, professional installations in commercial and industrial applications.

Each set includes 8 pieces, offering built-in redundancy for larger installations or replacement needs. The connector is constructed for durability and resistance to wear under regular use conditions, and is backed by a rated LED lifetime of 50,000 hours.

The product is covered by a 1-year warranty.
