

L Corner Connector for 50x40mm LED Profile Channel, Aluminum, Polished Finish

- Sized to fit 50×40mm 5-F65 aluminum profile channel
- Aluminum construction rated for maximum load-bearing capacity
- Polished finish matches the 5-F65 profile appearance
- Backed by a 1-year warranty
- Compatible with 5-F65 profile rated for 50,000-hour LED lifetime

OVERVIEW

The L Corner 50×40mm is a mechanical accessory designed specifically for use with the 5-F65 LED profile channel. It provides a secure corner connection point for the 5-F65 model, making it suitable for both professional installation and DIY applications where a reliable, properly fitted corner joint is required.

Constructed to support maximum load-bearing capacity, the connector delivers structural stability at corner transitions. Its polished finish is matched to the 5-F65 profile, maintaining a consistent appearance across the installation.

The connector is backed by a 1-year warranty, and the 5-F65 profile it supports is rated for an LED lifetime of 50,000 hours.
