

Steel Side Base with Screw Mount, 30 x 20 cm, for Signage and Lighting Installations

- Steel construction for structural support and durability
- Compact 30 × 20 cm footprint suited to confined installation spaces
- Screw fastening system for secure, stable attachment
- Backed by a 1-year warranty
- Rated for a 50,000-hour LED lifetime

OVERVIEW

The Steel Side Base with Screw (5-FZ-BS30×20) is a compact steel mounting base designed to provide structural support and stable attachment for signage and lighting installations in both commercial and residential applications. The integrated screw fastening system allows for secure, reliable mounting in confined or space-restricted locations.

Constructed from steel, this base measures 30 × 20 cm and is built for long-term performance with minimal maintenance requirements. Its low-profile design is intended to complement a range of installation environments without interfering with the aesthetics of the surrounding structure.

The base carries a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime 50,000 h

MECHANICAL

Product Dimensions 30 × 20 cm

Material Steel

Mounting Screw-mounted

ORDERING

Warranty 1 y

APPLICATIONS
