

Steel Side Base with Screw, 45 x 30 cm
(Discontinued)

- Steel construction for structural rigidity and load-bearing stability
- Dimensions of 45 cm width by 30 cm height
- Integrated screw included for straightforward installation
- Backed by a 1-year warranty
- Suitable as a foundation component for cabinets and shelving units

OVERVIEW

The 5-FZ-BS45×30 is a steel side base with an integrated screw, designed for use in furniture manufacturing, interior design, and construction applications. With a width of 45 cm and a height of 30 cm, it functions as a structural foundation component for cabinets, shelving units, and similar assemblies.

Constructed from steel, the base provides structural rigidity and load-bearing stability. The included screw facilitates straightforward installation and contributes to overall assembly security.

The product carries a 1-year warranty.
