

## 90-Degree Corner Connector for 5-F120D and 5-F45D 10 ft LED Fixtures

- Provides a 90-degree mechanical transition between fixture runs
- Compatible with 5-F120D 10 ft LED fixture series
- Compatible with 5-F45D 10 ft LED fixture series
- Backed by a 1-year warranty
- Matched for use with fixtures rated at 50,000-hour LED lifetime

### OVERVIEW

The 5-FZ-CN90 is a 90-degree corner connector designed for use with the 5-F120D and 5-F45D 10-foot LED fixture series. It provides a mechanical joining solution for installations requiring a right-angle transition between fixture runs, supporting clean, continuous linear lighting layouts in commercial and industrial environments.

The connector is rated for a 1-year warranty and is intended for use with fixtures carrying a 50,000-hour LED lifetime rating, aligning its service life with the connected 5-F120D and 5-F45D runs.

### SPECIFICATIONS

#### OPTICAL
