

Steel Hanging Plate, 37 x 28 mm —
Mounting Accessory (Discontinued)

- Compact 37 × 28 mm steel plate for low-profile mounting
- Corrosion-resistant construction suited for humid or outdoor use
- Compatible with wall and cabinet installation via fixtures or adhesive
- Rated for a 50,000 hour service life
- Backed by a 1 year warranty

OVERVIEW

The Steel Hanging Plate is a compact mounting accessory designed for organizing and displaying objects in commercial and professional environments. Measuring 37 × 28 mm, it is suited for smaller items where a low-profile, unobtrusive mounting solution is required. Compatible with wall and cabinet installations using standard fixtures or adhesive.

Constructed from steel with corrosion-resistant properties, the plate is suitable for use in humid or outdoor environments where durability and longevity are priorities.
