- Includes a protective cover sized for the HD9616B fixture
- Hanging hook allows secure, clutter - free mounting for storage
- Backed by a 1 - year manufacturer warranty
- Compatible with HD9616B fixtures rated for 50,000 - hour LED life

OVERVIEW

The Cover and Hanging Hook Set is a purpose - built accessory kit designed for the HD9616B fixture. It includes a protective cover and a hanging hook, intended to safeguard the unit during storage or non - operational periods while keeping the workspace organized and free of clutter.

The cover is constructed from durable materials with a functional design aimed at protecting the HD9616B from environmental exposure and physical damage. The hanging hook provides a secure mounting point for the fixture, supporting efficient storage and retrieval in professional settings.

The kit is backed by a 1 - year warranty and is intended for use with HD9616B fixtures rated for 50,000 hours of LED life.
