

Accessory Kit for HD9620 Snap Frame Extrusion, 4 Caps and 2 Hooks

- Includes four protective end caps for the HD9620 fixture
- Includes two mounting hooks for added installation versatility
- Guards against dust, dirt, and physical damage
- Designed for direct, modification-free integration with HD9620
- Backed by a 1-year manufacturer warranty
- Rated for use with an LED lifetime of 50,000 hours

OVERVIEW

The 5-HD9620-KIT is an accessory kit designed exclusively for use with the HD9620 model. It includes four protective caps and two hooks, providing a straightforward solution for protecting the fixture and supporting installation or mounting needs.

The caps are intended to guard against dust, dirt, and physical damage, while the hooks add functional versatility to the HD9620. The kit is designed for seamless integration with the HD9620, requiring no modification for installation.

The kit is backed by a 1-year warranty and is rated for use with an LED lifetime of 50,000 hours.
