

Aluminum Round Hanging Display Strip Channel, 20mm Diameter, 96 in. Length

- 20mm diameter aluminum round channel construction
- 96 in. overall length for extended hanging display runs
- Lightweight aluminum material simplifies handling and mounting
- Polished finish for a clean, professional presentation
- Backed by a 1 -year manufacturer warranty

OVERVIEW

The 5 - HD9620 is an aluminum round strip channel designed for hanging display applications in retail, commercial, and professional environments. With a 20mm diameter and 96-inch length, it provides ample span for mounting multiple items along a single run.

Constructed from lightweight aluminum, the channel offers a balance of structural stability and ease of handling during installation. Its polished finish contributes a clean, professional appearance suited to product displays, signage, and decorative arrangements.

Backed by a 1 -year warranty for added assurance in commercial installations.
