

5-HD9625/Kit
2 Plastic Hook
4 Plastic Cover

Accessory Kit for HD9625 Snap Frame – 4 Caps and 2 Hooks Set

- Includes 4 end caps for a secure, displacement-resistant fit
- Includes 2 hooks for hanging or securing the sign
- Designed specifically as an accessory for the HD9625 model
- Backed by a 1-year warranty

OVERVIEW

The 5-HD9625-KIT is an accessory set designed for use with the HD9625 snap frame extrusion, including four end caps and two hanging hooks. The caps are engineered to prevent displacement and maintain a secure, finished appearance at the frame ends, while the hooks provide a means of hanging or securing the sign for installation or display.

This accessory set is backed by a 1-year warranty for long-lasting performance in commercial signage applications.
