

5-HD9625 (L)10' Rod
Size:1"x0.5"

Aluminum Snap Frame for Hanging Banners, 10 ft 2-11/16 in x 1 in Profile

- Aluminum profile measures 10 ft 2-11/16 in long by 1 in wide
- Snap-open frame mechanism allows tool-free banner installation and changeovers
- Aluminum construction provides a lightweight, durable framing solution
- Frame design keeps banners taut and wrinkle-free for display visibility
- Backed by a 1-year warranty

OVERVIEW

The 5-HD9625 Aluminum Snap Frame is a lightweight aluminum framing solution designed for hanging banners in commercial and event environments. At 10 feet 2-11/16 inches in length with a 1-inch profile width, it is suited for trade shows, promotional displays, and advertising installations where a clean, professional presentation is required.

The snap-open frame mechanism allows for straightforward banner installation and changeovers without tools. The frame holds banners taut to minimize wrinkling and maintain consistent visibility across the display surface.

The unit carries a 1-year warranty.
