

LED & Sign Product Samples — Set of 5

- Includes five individual samples for side-by-side comparison
- Supports pre-purchase evaluation of materials and finish
- Suited for contractors and facility managers
- Useful for specifiers reviewing form factor before bulk ordering

OVERVIEW

This listing provides a set of five samples from the 5-L product line, intended for evaluation prior to a larger procurement decision. Sample sets are suited for contractors, facility managers, and specifiers who require hands-on review of materials, form factor, or finish before committing to a full order.

APPLICATIONS

- Product evaluation prior to bulk procurement
- Contractor material review
- Specification review for lighting or signage projects
- Facility manager product comparison
