

LED Channel End Caps, 5 Pairs per Bag

- Sold in bags of 5 pairs for multiple channel installations
- Each pair includes 2 pieces for complete channel closure
- Constructed from durable material for secure, seamless fit
- Compact size simplifies storage and job - site transport
- Backed by a 1 year warranty

OVERVIEW

These end caps are designed to provide a secure and seamless closure for LED channel installations. Sold in sets of 2 pieces per pair, with 5 pairs per bag, they deliver a clean, professional finish at channel termination points and are suited for a range of commercial and architectural lighting applications.

Constructed from durable materials, the end caps are straightforward to install and compact enough for easy handling, storage, and transport on the job site.
