

Wall Mount Clip for LED Fixture Installation, 1-Year Warranty

- Low-profile design minimizes visual bulk on finished walls
- Secures cables, fixtures, or hardware to a range of wall surfaces
- Straightforward installation suited to varied field conditions
- Backed by a 1-year manufacturer warranty
- Compatible with LED fixtures rated for 50,000 hour lifetime

OVERVIEW

The 5-LB1506-Clip is a wall mount clip designed for securing cables, fixtures, or related hardware to wall surfaces in commercial and residential installations. It provides a reliable hold and is compatible with a range of mounting surfaces, making it a practical hardware component for organized, professional installations. Constructed for durability, the clip features a low-profile design that integrates cleanly into finished spaces without adding visual bulk. Its straightforward installation process suits a variety of field conditions and surface types. The clip is backed by a 1-year warranty and is suited for use with LED fixtures rated for 50,000 hours of operation.
