OVERVIEW

The 5-LC16-Clip Wall Mount Clip is a mounting accessory designed to secure LED strip lights and similar objects to wall surfaces. Sold in a 10-piece bag, it is suited for both commercial and residential installations where a clean, low-profile mounting solution is required.

Constructed from durable materials, the clip features a secure hold that resists slipping and displacement once installed. Its compact, discreet profile integrates into finished environments without drawing attention, and installation is straightforward without specialized tools.

The clip is backed by a 1-year warranty and is compatible with LED strip systems rated for a 50,000-hour lifetime.
