

Wall Mount Clip — Discontinued Accessory

- Constructed from high-quality materials for durability
- Compact, low-profile design for a professional appearance
- Attaches to wall surfaces using included screws
- Secures items in place to prevent accidental falls or damage
- 1-year warranty coverage

OVERVIEW

The Wall Mount Clip is a mounting accessory designed to secure items to wall surfaces in commercial and light industrial environments, including offices, workshops, and utility spaces. It attaches via included screws and is suited for organizational applications where a low-profile, reliable hold is required.

Constructed from high-quality materials, the clip features a compact form factor and a design intended to prevent accidental displacement of held items. Installation is straightforward, requiring no specialized tools beyond standard fastening hardware.
